

**INSTRUCTIONS FOR COMPLETING THE 2026 EXEMPTION
APPLICATION AND QUESTIONNAIRE**

Please read the following carefully. To qualify for the 2026 Solid Waste Exemption, the solid waste account holder of an active residential account must provide the following information.

1. Proof of their and any other household member's social security, SSI disability, retirement, pension or other forms of income.
2. A copy of the solid waste account holder's driver's license or picture identification.
3. Three consecutive months of each household member's checking and/or savings account statement.
4. The original notarized 2026 Washington County Solid Waste Exemption Affidavit and Application.
5. Completed Washington County Solid Waste Questionnaire.

All completed applications along with all accompanying documentation must be submitted in original form to the Washington County Solid Waste Disposal Authority located at 25 Court Street, Chatom, Alabama or by mail to the following address:

Washington County Solid
Waste Disposal Authority
P.O. Box 478
Chatom, AL 36518

All applications must be received in the Solid Waste office or postmarked no later than Wednesday, November 30, 2025. No exceptions will be allowed.

Additional information may be needed in order to process your exemption application. If additional information is needed, you will be notified what additional information to provide and allowed 10 business days to submit said information.

If you should have any questions regarding the application process, please contact the Solid Waste office at (251) 847-2642.
